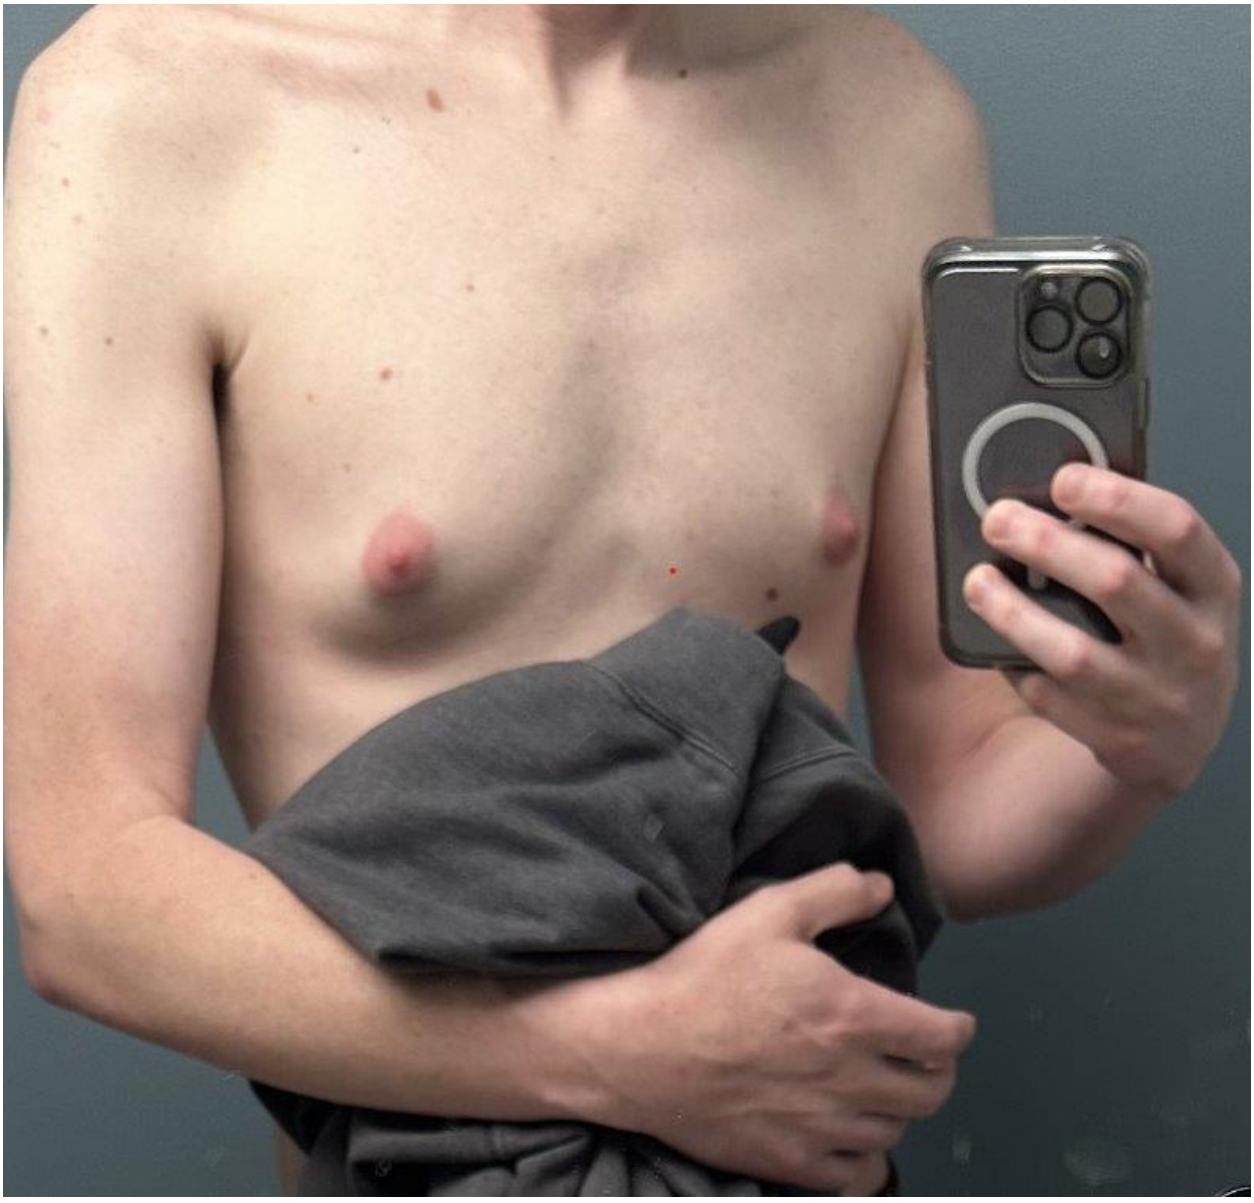
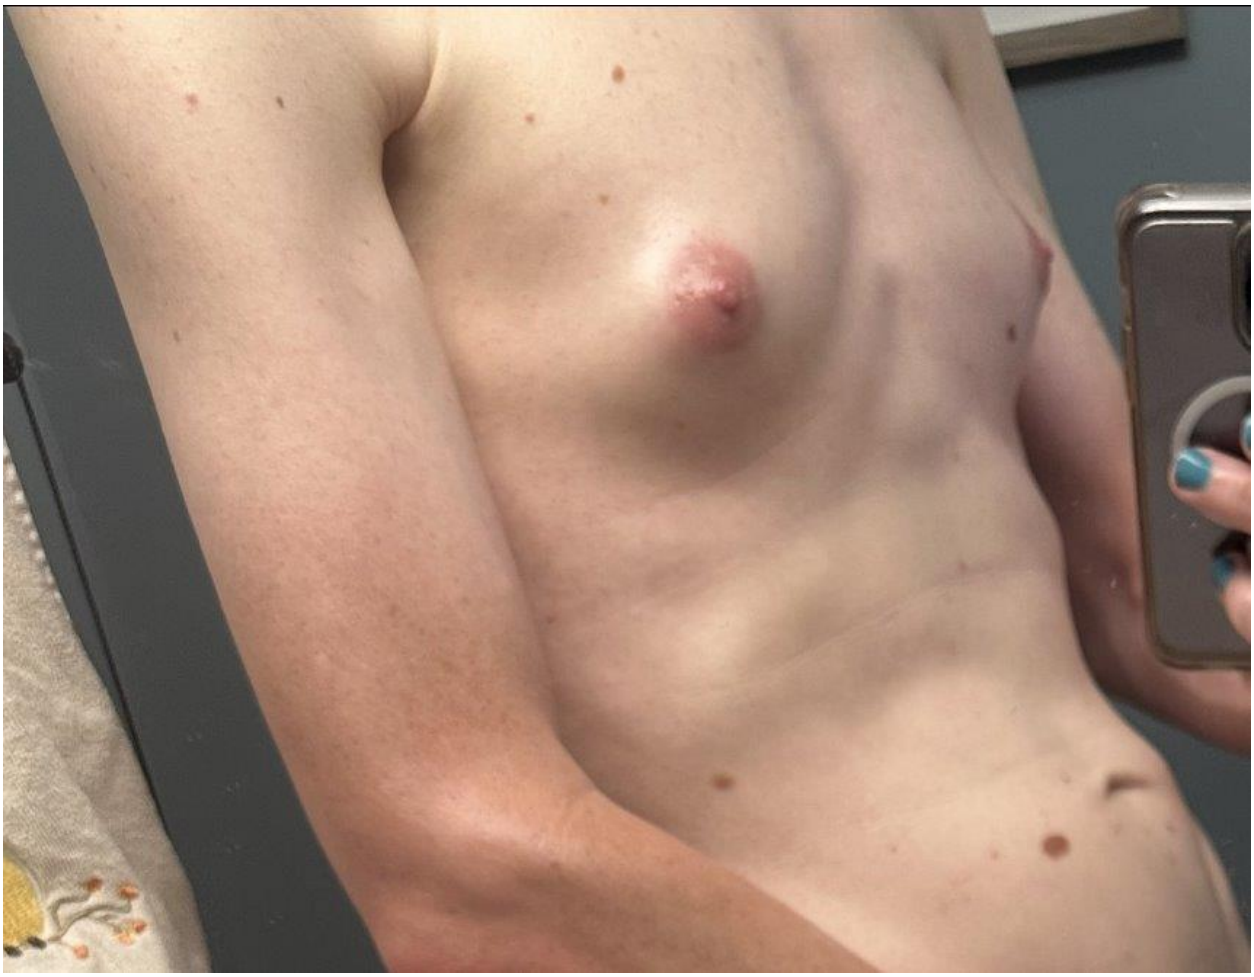
This was November 2024 – PreHRT – First time I shaved in 20+ Years:

~3 Weeks Into HRT:



Target All-In-Motion Sports Bra / Boymode (First Month HRT)

Thought this was an awesome display and relevant to show what's going on behind the scenes:



~3 Months HRT:

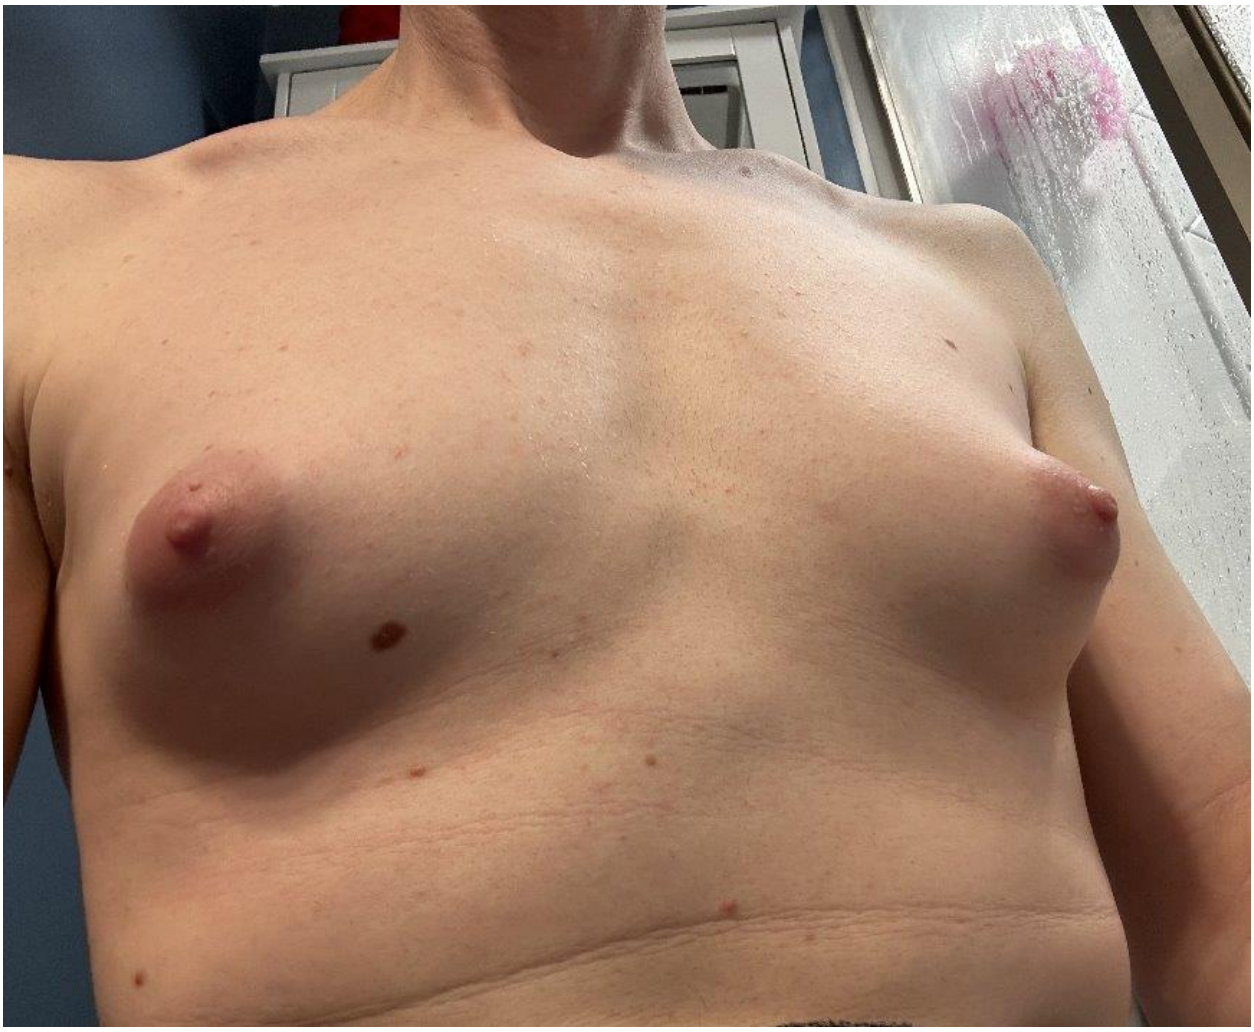
~ 4 Months HRT:

A bunch at 5 months:

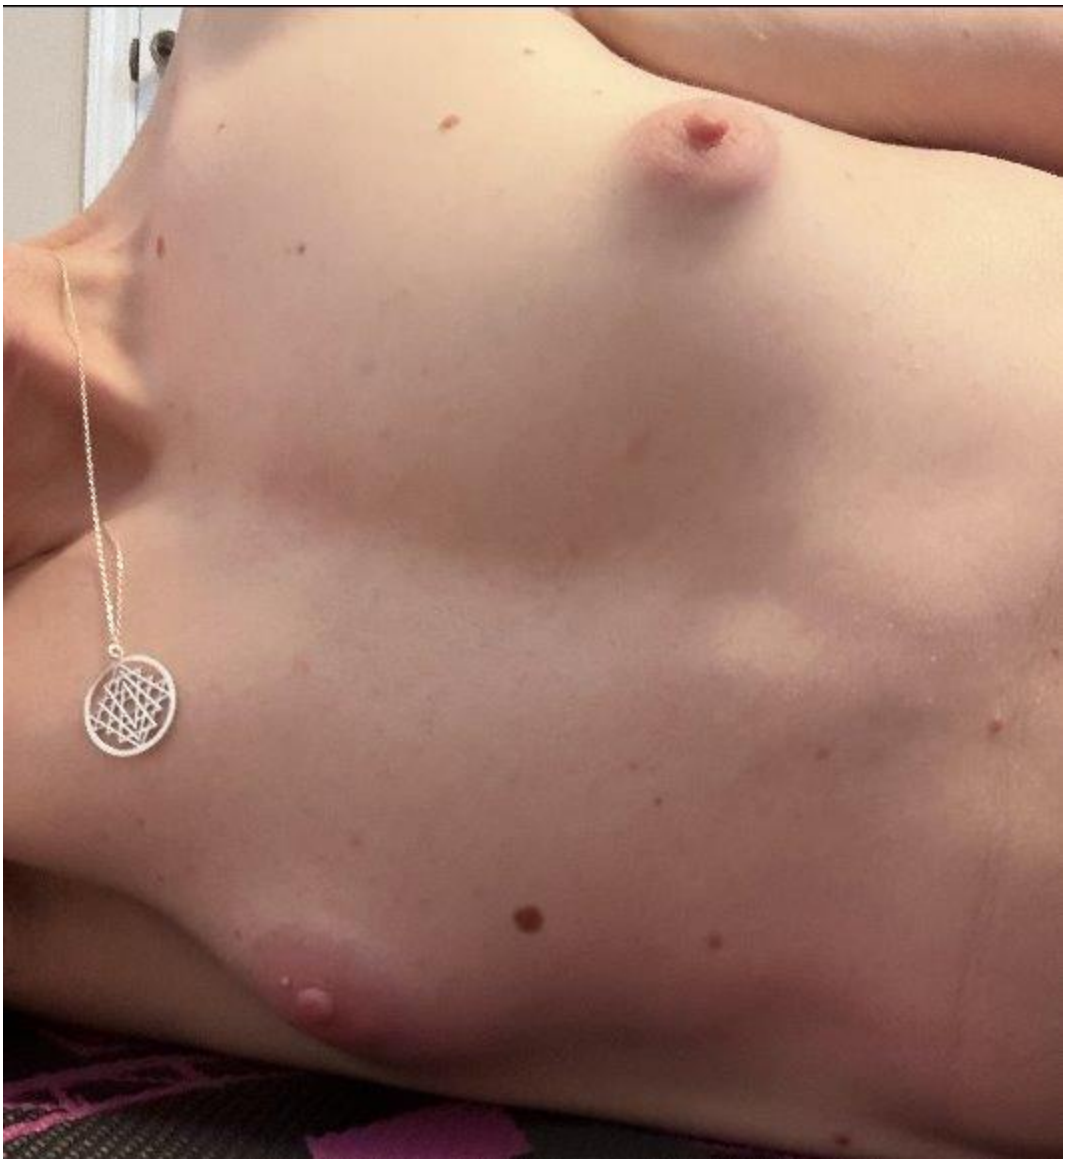
6 Months – Started Progesterone November 4, 2025:

Notice the swelling and shrinking:

~28 Weeks:



~31 Weeks:



Boymode December 12, 2025 (roughly 32 weeks):

December 25, 2025, 33 weeks – Merry Titmas – I believe I am well into Tanner Stage 3 here and I think if things keep going well I will be Stage 4 in a few months.
